

Dear Sir

The other leaf gives
all I know throwing light
on the pedigree of Mr. Freeman, my
new cousin. The Portsmouth family of

Wendells come from Everth
Jansen Wendell thro' his

oldest grandson Abraham (brother
of Col. Jacob Wendell.) whose

grandson John moved to Portsmouth,
- after graduating at Harvard 1750, -
died at Portsmouth Apr 26. 1808.

Another child of this Abraham was
Elizabeth, who married Edmund Quincy
& their daughter was Dorothy
wife of Gov. John Hancock

With kind regards to you
all, Lady Wentworth & the others
included

Yours

Wendell Phillips

A. Freeman. Esq -

3 Oliver Wendell (grandfather of
O.W. Holmes Judge of
Probate in Suffolk) born Mch 5 1733

4 Abraham, whether he ever
married I don't know - born
Nov 2^d 1735.
